

HOW TO RAISE YOUR OWN **FINANCIAL SUPPORT**

WE BELIEVE THAT WHEN GOD CALLS, HE SUPPLIES! HERE ARE SOME WAYS IN WHICH YOU CAN RAISE THE FINANCES TO BE A PART OF AWAKEN GENERATION.

1

Always start with prayer! God will faithfully provide for your every need! Ask him to guide and lead you through this process.

2

Once you receive your acceptance letter from Awaken Generation, we can supply you with an official AG support letter outlining the information that partners would need to know.

3

Craft out your personal vision statement outlining why you believe that being a part of Awaken Generation is in line with your giftings and where God is calling you to.

4

List down at least 20 individuals amongst your family, friends, spiritual community and leaders who could potentially partner with you. A number of our mentees are in our programme funded or partially funded by their churches - do check with your ministry head if this is a possibility for you. Remember, as you are investing your year to be trained and equipped in your calling, those who love you would gladly support you!

5

Set an appointment for a 10-15 minute presentation of your vision and goals with Awaken Generation with your potential partners. Ask at the end of the presentation if they would like to support you! With just 10-12 people sowing \$30 a month for the duration of the course you'd already enough to cover your course fees!

6

Remember to keep your partners updated with your progress, and encourage them with your testimonies so that they can see what God is doing in your life through Awaken Generation!

TESTIMONY

In November 2015, I had been serving in my church's worship ministry for quite some time. I sensed that it was a timely season for me to realise greater potential, discover more of God's heart in worship, and hone my skills as a musician along the way. As such, I considered Awaken Generation, praying and seeking God's heart in the matter. AG seemed to tick the right boxes for me, and I went ahead with submitting my audition piece.

Soon after, I was ecstatic to learn that I had been given an opportunity to join AG in 2016 for a year as a Guitar stream student. However, I had only just left the army and was about to commence my academic studies in University. The monthly fees would prove to be a

challenge as I did not have any income at the time.

However, in the midst of uncertainty, God is Provident. The core leaders of the Worship Ministry believed in God's purpose for me, reaching out and encouraging the rest of the ministry to sow into this season of my life. Church members rallied as a cell group, giving unconditionally.

In less than a week, I went from worrying about my finances, to have more than abundant. In retrospect, God had paved the way for me to learn and grow, unhindered by any woes or worries in that year with AG. I am also reminded of Paul's closing words to the Church in Ephesus:

'Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.' (Ephesians 3:20-21)
