VERSE 1

B

We rise and we fall as the sky changes shade

E

But oh Lord You stay the same

G#m7 **F#**

So come and sing, all you sons & daughters

E

Delve deep to the secret space

VERSE 2

Beneath the lack of colour

there's a river that flows under

The beating vines of my heart

So come and sing, my brothers and my sisters

We drink from the same well of grace

CHORUS

C#m7 **B/D#** **E** **F#**

Oh oh oh oh

G#m7 **F#/A#** **B**

I'm at a loss for words

C#m7 **B/D#** **E** **F#**

Oh oh oh oh

G#m7 **F#/A#** **B**

At a love that draws me near

G#m7 **F#/A#** **B**

With whom who shall I fear

E

My hiding place

VERSE 3

Milk and honey I've tasted and

seen beauty rise from ashes

So I'll give You my life to mould

Come and sing, heirs of the kingdom

Break down the walls of your souls

VERSE 4

Well I'm made of broken bones and

a heart hardened to stone

I'm an evening shadow that fades

But You're building a home and I will go

Out of shattered parts made whole
